# Wraparound Orange System of Care

## Mental Health is a Good Thing

Wraparound Orange seeks to offer a family-driven, youth-guided and culturally competent system of care for youth with emotional health needs and their families.

## Healthy Families Mean Healthy Communities

### How Does Wraparound Orange Work?

Wraparound Orange will assign you a highly trained Wraparound Specialist and Family Partner who will set up a meeting to explain what “System of Care” is and how it can help your family.

They will work with you to select a larger team of people to assist your family with setting goals and determining the best path for reaching them. Your family will direct the team.

- The Family is the Team Leader
- Everyone on the team has an important role
- Your team helps you respond to family crises and concerns
- Youth have a voice and participate in the system

*“It’s Like Family”*

### Your Wraparound team is here to:

- Listen and not judge
- Help bring important services and resources into families’ lives
- Ensure everyone on the team is working toward the same goals
- Develop plans that support families’ areas of need

- Ensure plans are working
- Continue to support families throughout the process

**Healthy Minds... Healthy Lives...**

### About Us

Wraparound Orange is a process created to connect & support youth who have emotional health needs and their families with community-based services and other valuable resources.

*“They are there for you and your child.”*

Wraparound Team Members will ensure every door entered is a door of opportunity.

## Wraparound Benefits

### How Can Wraparound Help You And Your Family?

*“You will notice a difference!”*

- Wraparound allows you to pick the services that are right for you and your family.
- Wraparound removes pressure from your family and allows the agencies to bring support to you and “wrap” your family with a support system of care.
- Wraparound provides support and training for families to be the leaders and decision makers for their own care.

### Wraparound Offers:

- Simple direct connections to the services your family wants.
- A team that works with your family to focus on current strengths and identify what is needed to develop new skills.
- The opportunity for families to participate in Wraparound committees to vote on and affect the direction of Wraparound Orange.

**Wraparound seeks to create a community and team who are open to talking about and supporting mental health.**

*“It’s not just during business hours; they call to check on me.”*
